SUMMIT Ship

In February 2019, 90,940 tonnage Celebrity SUMMIT took part in Celebrity’s fleet-wide Revolution. Restaurants and lounges became more than just dining rooms and pass time areas. Staterooms became home away from home and guests’ personal sanctuaries. Unpack once as you settle in! Celebrity SUMMIT stopped being just a ship and became a better way to experience the world. The airy Main Restaurant offers exquisite menu selections, which change nightly to give you a variety of classic and contemporary choices. And the service? Legendary.

Cruise Itinerary

Cape Liberty, the first cruise port built in New Jersey in 40 years, provides the perfect setting to begin and end our voyage. From the vantage point of the SUMMIT’s deck, you’ll view the Verrazano-Narrows Bridge, the Statue of Liberty, New York Harbor and lower Manhattan.

PORTS OF CALL

At each port of call, cruise passengers can choose to remain on-board to relax and enjoy the ship's amenities, disembark for a stroll or independent exploration, or take one or more optional guided shore excursions (a few examples are listed below) that are activity-rated and available on an advanced-reservation date & time basis at a quoted per person fee.

Martha's Vineyard (Tuesday, May 16)

The sweeping, sandy beaches of Martha's Vineyard are straight out of an oil painting, with picturesque lighthouses and grand mansions. Take a trip around the island to see wildlife reserves, lush farmland, historic monuments, fishing villages and rolling sand dunes. Fishing boats, impressive marinas and enticing seafood restaurants beckon. Come for the beaches, but explore the island's culture and cuisine.

Bermuda (Thursday, May 18 and Friday, May 19)

The Royal Naval Dockyard, Bermuda, was built by Royal decree to defend British superiority on the seas. Within the walls of this nineteenth century fortress where troops once marched, there are now lawns, flower-lined lanes, fine dining and a quaint Clocktower shopping mall. Be a part of the adventure, local culture and luxury for which the Royal Naval Dockyard is known. Taste local flavors and stroll through the shops and museums. Or have a close encounter at Dolphin Quest, where you can see, pet and swim with these magnificent marine mammals. Bermuda possesses all the attributes of a tropical paradise: island vibes, British charm, a temperate climate, palm trees, and impossibly blue water. Example optional shore excursions:

- Enjoy a narrated trolley tour through the heart of Hamilton and visit the Bermuda Underwater Exploration Institute, where you'll see underwater treasures and unique exhibits.
- The scenic St. George tour is a guided shore excursion that takes you to the oldest English town in the New World and includes a visit to its equally fascinating neighbor.
- Explore Bermuda's pink-sand beaches and unique architecture, with visits to Bermuda's Aquarium, Museum & Zoo, and the breathtaking Crystal Caves.
- Discover Bermuda's hidden side on this off-the-beaten-path cruise past the island's colorful colonial homes and the exclusive "Millionaire's Row" neighborhood.
- Experience a Catamaran Sail, a swim and/or snorkel in a protected island cove, or a laid-back visit to a local beach.

Charleston (Monday, May 22 and Tuesday, May 23)

Charleston, South Carolina is one of the true historic gems in the United States. Shops, cobblestone streets, historic landmarks, and genuine Southern charm and hospitality, not to mention Southern cuisine, are all things everyone should experience at least once in a lifetime. Example optional shore excursions:

- A 4½-hour adventure that brings you by boat to Fort Sumter and takes you by coach through Charleston's beautiful historic district rich in Civil War history.

- A guided tour of Boone Hall Plantation and Gardens near Mt. Pleasant, South Carolina, one of America's oldest working, living plantations, which dates back to 1681.
- Stroll Charleston's lovely city streets on a guided walking tour that includes the Exchange and the Provost Dungeon, and hear fascinating tales of historic heroes and villain pirates.
- Visit the only tea plantation in the United States and take a trolley tour of the grounds and factory before enjoying a tasting of American classic teas.

Helpful Advance Information

A valid U.S. passport with six months or more of validity remaining as of the May 15, 2023 cruise sailing date is a required passenger document to be brought with you on this trip due to visiting Bermuda. While aboard the cruise, you will be able to keep your Passport and valuables in your stateroom safe. At ports-of-call, you will have a Celebrity-issued security card, which grants you access to your stateroom, can be used for on-board optional purchases charged to your stateroom account, and is used whenever passing through security for identification when leaving from or returning to the Celebrity SUMMIT.

You must carry with you either your U.S. passport or Real ID state-issued driver's license as passenger identification when flying on the May 2023 roundtrip domestic airline segments between Chicago and Newark, New Jersey.

COVID vaccinations and booster vaccinations may not be required as of the May travel dates, because health safety restrictions on domestic travel are likely relaxing by January 1, 2023 and international requirements have been scheduled to ease for many countries by May 1, 2023. Nevertheless, any vaccination requirements are always subject to change and proof of up-to-date vaccinations could be reinstated/required on this trip's travel dates by government authority here in the United States or in Bermuda. Consequently, up-to-date vaccinations continue to be strongly recommended by the U.S. Government's CDC agency.

On any tour involving air travel, it's recommended each passenger carry a small carry-on tote bag with medication or other essentials besides wallet/purse while on the airline flights. Each passenger will check one bag of luggage weighing 50 lbs. or less at the airline, which ideally needs to be a roller bag as passengers on any tour involving airline travel should anticipate carrying (preferably more easily pulling) their rolling luggage bag for a 5 to 15-minute walk at some point within departure/arrival airline terminals and/or United States customs. When you arrive at Port Liberty, New Jersey for SUMMIT ship embarkation there will be a designated area to leave your luggage bag, which Celebrity personnel will deliver to your stateroom. On the final evening aboard the ship prior to returning to Port Liberty for ship disembarkation, there will be an announced time for you to have your locked luggage bag placed outside your stateroom door. Celebrity personnel will pick it up that evening and place it ashore upon docking to be claimed as you depart the SUMMIT in the morning at a scheduled time for ground transportation transfer to the Newark, New Jersey airport terminal.

Clothing worn aboard the Celebrity SUMMIT follows Celebrity's "Smart Casual" guidelines. A man's tie, tuxedo, or woman's formal gown is not required when packing for this trip. You can view Celebrity dress code "Frequently Asked Questions" on Celebrity's website at:

www.celebritycruises.com/faqs/onboard-dress-code

Laundry and dry-cleaning services at per item prices listed in your stateroom with a laundry bag are available if needed while on the cruise.

You can charge cell phones, etc. at 110-volt / 220-volt receptacles available in your stateroom using your personal connection cords. There is a free Celebrity app available for your cell phone.

The Classic beverage package, on-board Wi-Fi, and ship gratuities are cruise-included perks.
