Slide back into the '70s with this sensational salute to disco! Tony lives for the weekend when he and his friends can dance the night away. When a big dance competition is announced, he wrangles the beautiful and talented Stephanie to be his partner. Based on the 1977 movie phenomenon that launched the disco era and made John Travolta a household name, Saturday Night Fever features hit songs from the Bee Gees - such as “Stayin’ Alive,” “You Should Be Dancing,” and “How Deep Is Your Love,” and the high-octane energy and unforgettable swagger will bring you back to the time when disco was king!

Doors open at 3:45 PM, Meal from 4 to 5 PM, Bootleggers at 5:15 PM, and Performance at 5:45 PM.
